INTERNATIONAL SCHOOL

Re: 2018 PHE classes at Skagerak International School

11 December 2017

Dear Skagerak families,

As many of you may know, construction of a new community sports facility has been underway in Framnes for the past year. This has been a welcome development in the area since local sports facilities are becoming increasingly busy in Sandefjord and it has been difficult for us to book our Physical and Health Education classes for all levels of the school. Since this new sports hall, Sandarhallen, is located in close proximity to the school and is now ready for use, all PHE classes will be relocated there after the Christmas break.

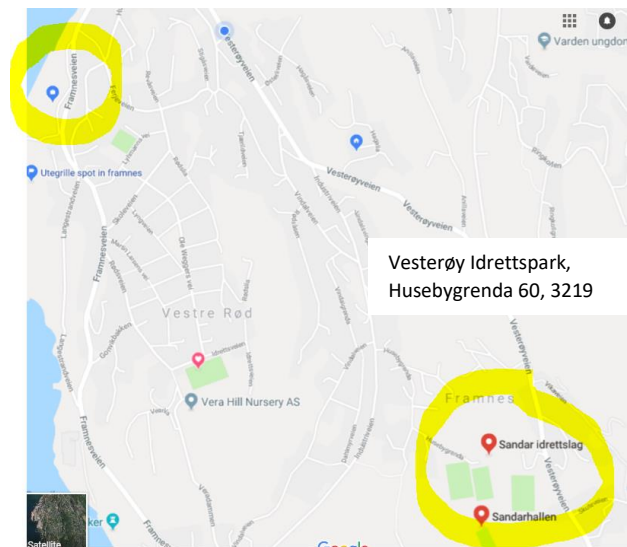

This provides us three main benefits:

- to make better use of the local community resources,
- ease on the cost of bussing
- reduce the travel time so that time will be best spent with activity.

Beginning Monday 08 January, all classes will now occur at Sandarhallen. None of the times for the classes will change, only the location. It is important to consider how this *may* affect your regular routines from home and should be noted for an easy transition after the holidays (this is mostly true for middle and high school classes)

Please find the information for your perusal below.

<http://sandaril.no/sandarhallen/>

class	PY1-2	PY3-4	PY5-6	MY1-2	MY3-4	Y11	Y11
PHE day	Wednesdays	Mondays	Wed.	Tuesdays	Tuesdays	Thursdays	Fridays
PHE time	Kl.1300-1515	Kl.1300-1515	Kl. 0900-11:30	Kl. 0900-1045	Kl. 1230-1415	Kl. 1345-1415	Kl. 1345-1415
Arrival and dismissal	Bus to and from school provided	Bus to and from school provided	Bus to and from school provided	Make own way to and from gym.	Make own way to and from gym.	Make own way to and from gym.	Make own way to and from gym.

PHE teachers will be working with students in the first few weeks to ensure that regular routines are established for the new location. It is important to note that indoor shoes **MUST** be worn and that older students who arrive on their own to morning classes will not have access to the building prior to kl.0830.

Thank you in advance for your flexibility. This is an exciting new development for our school and we are looking forward to the use of this new facility.

Kind regards,

SIS PHE team: *Patrick Holmes, Lucia Duin and Katheryn Tester*
